## Elections and change of statutes

- End of term of EC members for France and Italy: a big  to Anne-Sophie Defachelles and Alberto Garaventa for their contribution and work!  
Sabine Sarnacki and Loredana Amoroso have been nominated for France and for Italy as new representatives. Their nomination has to be validated at the AGM.
- End of term of EC members for lesser recruiting countries: a big  to Cormac Owen for his contribution and work as treasurer!  
The list of confirmed nominations for a new EC representative will be sent out and electronic voting organized. The election has to be validated at the AGM.
- Maja Beck Popovic has agreed to continue in a second term as president, fully supported by the EC.
- A proposal for modification of the statutes with the aim to respond better to the growing SIOOPEN activity will be sent out before the AGM, for approval at the AGM.

### EUSA-SIOOPEN Pilot study:

- EUSA and IQVIA and investigators have agreed to open 25 sites; site selection and trial set-up is in process.

### INRG:

- 21000 patients now registered.
- Applications by investigators for data strongly encouraged and Lucas Moreno pleased to be contacted for support and advice in application process.

### Lorlatinib:

- The common COG/SIOOPEN project on Lorlatinib amendment to current trials has received a grant from SKC.

### CTC (Clinical trial committee):

- First presentation of the committee's activities and documents in preparation; overview on studies, submission, evaluation and validation of projects.

### Liquid biopsy:

- The liquid biopsy manager project has been submitted to the CTC for consideration and approval.
- A revision of the current specialty committees interaction is in discussion, and a new proposal will be presented soon.
